Dear Mark,

First of all please accept our apologies for not replying to you sooner. Since completion our feet have barely touched the ground, there has been so much to do. We are finally making head way with our list of "to do" jobs, but we have both lost a lot of weight with all the running around – Peter has shed over a stone!!

Secondly, enclosed is the copy of the valuation you requested, sorry for the delay.

Finally, we would like to thank both of you for all the hard work you did on our behalf. Knowing that you were at the end of the phone to help and advise made the whole process much easier – especially when the legal side started to take so long - and we have come to regard you more as friends, less as Brokers. If you ever need a glowing reference you only have to ask, it will be readily given.

We look forward to keeping in contact with you in the future, especially at re-mortgaging time. Best wishes to you both, and thank you again.

Regards,

Julie & Peter
